Invitation

International IEA PVPS Task 15 Meeting
& Joint Workshop in Vienna, Austria

The Austrian IEA PVPS Task 15 project participants are happy to invite you to the upcoming international Task 15 meeting in Vienna, Austria. The meeting will take place from 13. – 14.6.2018 and is followed by a workshop on 15.6. on „BIPV as Architectural Tool”, in co-operation with the Austrian Photovoltaics Technology Platform (TPPV) – which will give the opportunity to meet local PV-Architects and BIPV stakeholders.

Additionally, the IEC PT 63092, TC 82 meeting will be held on the 12.6.2018 at the Austrian Institute of Technology (AIT) in Vienna, all interested members of Task 15 can join this meeting. In the evening of this day an informal get-together in a typical Viennese restaurant has been arranged.

In the following we provide you with the currently available information about the event. In case of particular questions to the meeting and/or organization do not hesitate to contact us –

Peter Illich, illich@technikum-wien.at
Nancy Kleijnen, nancy.kleijnen@zuyd.nl

We are looking forward to an exciting and productive time with you in Vienna!

Best regards,
Peter Illich and the Austrian project team of Task 15
